

## International Scientific Conference AGROECOSYSTEM SUSTAINABILITY

Links between Carbon Sequestration in Soils, Food Security and Climate Change

Vytautas Magnus University Agriculture Academy, Lithuania, 23–24 September, 2020

- **December 1 – May 31**  
Submission of abstracts
- **January 10 – June 15**  
Acceptance of submitted abstracts
- **January 10 – June 30,**  
Early registration
- **July 1 – September 10**  
Late registration
- **September 23**  
Opening of the Conference
- **September 24**  
Seminar,  
Exhibition of Innovation Dissemination  
'Inno Panorama' at VMU Agriculture Academy  
<https://innopanorama.lt/home>  
Field trip

#### More information:

<https://zua.vdu.lt/en/>

#### Chairperson of International Scientific Committee

Prof. Dr. Aušra Blinstrubienė

#### Contact person

Assoc. Prof. Dr. Zita Kriaučiūnienė  
Mob. tel. + 370 680 81 811  
E-mail [agroeco@vdu.lt](mailto:agroeco@vdu.lt)

#### Postal address

Faculty of Agronomy  
Agriculture Academy  
Vytautas Magnus University  
Studentu Str. 11-303  
LT-53361, Akademija  
Kaunas Distr., Lithuania

### THE MAIN TOPICS OF THE SCIENTIFIC CONFERENCE:

- Soil health and C sequestration for sustainability
- Soil and crop management for ecological intensification
- Biodiversity towards sustainable agriculture
- Food quality and safety
- The role of circular bioeconomy in climate change mitigation

*The language of the Conference is English.*

### REGISTRATION COSTS:

Early registration	200 €
Late registration	250 €
Early registration for students	100 €
Late registration for students	150 €
