

International scientific - practice conference
HUMAN AND NATURE SAFETY

The Conference of *The Human and Nature Safety* held annually in honour of the International Days of Health, Environmental Protection and Occupational Safety and Health.

The purpose of the Conference is to discuss interrelated human safety and health and environment protection problems, create opportunities for scientists and other researchers (especially younger) share the research results not only among researchers and students, but also between farmers, agricultural experts, representatives from forestry and other sectors. Also, promotion of safe and healthy lifestyle in relation with environment.

Vytautas Magnus University is kindly inviting to attend a
