

INFORMATION LETTER

Dear students and young scientists!

from February 15th to 28th, 2021 Kazakh National Agrarian Research University
holds International Winter School - 2021
on next directions:

- ❖ **«Problems of assessment and management of natural resources in Kazakhstan»** - supervisor Tlektes Yespolov, Chairman of the Board-Rector of the Kazakh National Agrarian Research University, Vice-President of the National Academy of Sciences of the Republic of Kazakhstan, Academician, Doctor of Economics, Professor;
- ❖ **«Green economy»** - supervisor Kanat Tireuov, Academician of NAS RK, Doctor of Economics, Professor;
- ❖ **«Agribusiness»** - supervisor Ukiliai Kerimova, Academician of KazAAS, Doctor of Economic Sciences, Professor;
- ❖ **«Innovative technologies and technical means in agriculture»** - supervisor Seitkazy Keshuov, Academician of the NAS RK, Doctor of Technical Sciences, Professor;
- ❖ **«Land and forest resources management»** - supervisor Sabit Baizakov, Academician of NAS RK, Doctor of Economics, Professor;
- ❖ **«Crop production management»** - supervisor Serik Kenenbayev, Academician of NAS RK, Doctor of Agricultural Sciences, Professor;
- ❖ **«Scientific support for the innovative development of fruit and vegetable growing in Kazakhstan»** - supervisor Temirzhan Aitbaev, Academician of NAS RK, Doctor of Agricultural Sciences, Professor;
- ❖ **«Veterinary in Biological Safety»** - supervisor Nikolay Ivanov, Academician of NAS RK, Doctor of Veterinary Sciences, Professor;
- ❖ **«Agro-processing technologies»** - supervisor Asan Ospanov, Corresponding Member of the NAS RK, Doctor of Technical Sciences, Professor;
- ❖ **«Quality management of livestock products»** - supervisor Abdirakhman Ombaev, Corresponding Member of the NAS RK, Doctor of Agricultural Sciences, Professor;
- ❖ **«Livestock production technology»** - supervisor Tuleukhan Sadykulov, Academician of NAS RK, Doctor of Agricultural Sciences, Professor;
- ❖ **«Soil Science, Agrochemistry and Ecology»** - supervisor Rakhimzhan Yeleshev, Academician of the National Academy of Sciences of the Republic of Kazakhstan, Doctor of Agricultural Sciences, Professor;
- ❖ **«Agritourism»** - supervisor Zhenisbek Suleimenov, Academician of the NAS RK, Doctor of Economics, Professor.

The goal of the International Winter School-2021 is to provide new knowledge, practical skills, innovative technologies and methods of scientific research.

Brief abstract. Participants of the school will have a unique opportunity to gain new knowledge and practical skills in the areas of development of the agroindustrial complex. Lectures, master/training classes and round tables will be conducted by leading foreign scientists, as well as scientists of Kazakh National Agrarian Research University, branch research institutes, scientific-production centers, production representatives.

Working languages: English, Russian.

Requirements for participation in the International Winter School - 2021:
- fill out the registration form of the participant (Appendix 1) by **February 12, 2021**;

Preliminary program
International Winter School 2021

Date and time	Activities
February 15, 2021 13 ⁰⁰ -14 ⁰⁰	Online Participant Registration
February 15, 2021 15 ⁰⁰	Opening of the International Winter School 2021
February 15, 2021 16 ⁰⁰ -18 ⁰⁰	Plenary session
February 15 - 28, 2021	Educational courses on directions
February 28, 2021 15 ⁰⁰ -17 ⁰⁰	Closing of the Closing of the International Winter School and presentation of certificates

Participants can publish scientific articles on topical problems of fundamental and applied research in the field of agricultural, veterinary, biological, technical, economic sciences in the scientific journal of KazNARU "Izdenister, natizeler - Research, Results". Requirements for the design of the article are attached (Appendix 2).

Organizing Committee

050010, Almaty, Abay Ave. 8
Kazakh National Agrarian Research University

Contact phone numbers:

1. Director of the Institute of Postgraduate Education
Aldiyarova Ainura 8(727) 262-17-63;
2. Leading specialist of the magistracy department
Kapar Shekerban 8(727) 262-17-63;
3. Chief, Department of International Cooperation
Bekzat Turegeldiyev 8 (727) 264-19-95

Requirements for article

1. Articles are published in Kazakh, Russian and English. Manuscripts should be carefully verified and edited by the authors. Articles must be signed by all authors. The volume of the manuscript should be at least 3 pages long and contain the results of your own research. Review articles are not accepted.

2. Manuscripts are sent in electronic and paper form, in one copy, printed on one side of an A4 sheet in the Times New Roman editor, size 12, interval -1, paragraph 1, indents 2.5 cm above and below, on the left - 3 cm and on the right - 1.5 cm, according to GOST 7.5-98 and GOST 7.1-2003.

3. Elements of the article should be arranged in the following order: UDC (upper left); through the center interval in bold - the name, patronymic, surname of the author (s); through the interval in italics the name of the organization (city) where the author (s) work; through the interval in the center of the title of the article in capital letters.

4. Before the main text is written an abstract to the article in the original language in a volume of not more than 10 lines and keywords.

5. The text should include, as a rule, introduction, materials and methods, research results and their discussion, conclusions, list of literature. After the list of literature, indicate in 2 other languages marked from the original article, author (s), article title, abstract (at least 4-5 lines) and keywords. Figures and diagrams should be clear. If they are performed on graphic objects, they must be presented on separate sheets. In the references used literature all authors / co-authors of this publication are inscribed.

6. Section titles: introduction, materials and methods, results and discussion, the conclusions should be placed with a red line, and highlighted in bold without a period.

7. The underline, bold and italic text in the text is not allowed.

8. Articles in the journal from university employees are accepted in the presence of an expert opinion, articles from outside organizations - a cover letter, review and expert opinion of the organization on the possibility of publication.

9. On a separate sheet, it is necessary to give information about all authors: full name, academic degree, full name of the organization, its address, telephone, fax, e-mail.

Also as part of the winter school there will be a competition of start-up projects in priority areas of development of the agro-industrial complex.

The main purpose of this competition is to develop entrepreneurial skills among the students.

We hope for your active participation in the International Winter School-2021.
