

VYTAUTAS MAGNUS UNIVERSITY STAFF TEACHING WEEK'25

2025 May 5th-9th

Lectures held by International Teachers at VMU Agriculture Academy

Studentų str. 11, Akademija, Kaunas district (Central building)

Studentų str. 15, Akademija, Kaunas district (II Building)

Studentų str. 10, Akademija, Kaunas district (III Building)

2025 May 5th (Monday)

	<p>Mag. Andrés Posada “Agroindustry in Uruguay. A first dive” Catholic University of Uruguay, Uruguay</p>	9:30-12:00	II Building, Room 318
	<p>Ilze Viķe “Project Management” Latvia university of life sciences and technology, Latvia</p>	10:00-13:00	III Building, Room 116
	<p>Prof. dr. Giorgi Abramishvili “Modern lubricants and their production technologies. Features of lubricant applications” Georgian Technical University, Georgia</p>	10:30-12:00	II Building, Room 204
	<p>Dr. Inż. Wojciech Makowski “The use of biotechnological tools in research on medical plants being a rich source of phenolic compounds with strong bactericidal properties” University of Agriculture in Krakow, Poland</p>	11:00-13:45	Central Building, Room 505
	<p>Assoc. Prof. Bartłomiej Glina “Regenerative Agriculture: Enhancing Soil Health through Sustainable Farming Practices” Poznań University of Life Sciences, Poland</p>	11:15-12:15	Central building, Room 506
	<p>Lect. dr. Modest Paul Assenga “Financial ratio analysis and interpretations” Tanzania Institute Accountancy, Tanzania</p>	11:15-12:00	III Building, Room 210

Assoc. Prof. dr. Beverly C. Sa-ao
“Fiscal and Monetary Policy in the Philippines: Domestic Strategies Amid Global Trade Tensions”
Benguet State University, Philippines

11:15-12:45

III
Building,
Room
415

Prof. dr hab. Łukasz Uzarowicz
“Indicators of soil degradation and contamination – part 1: assessment of soil properties based on examples of technogenic soils (Technosols)”
Warsaw University of Life Sciences, Poland

12:45-14:30

Central
building,
Room
506

2025 May 6th (Tuesday)

Dr. Techn. Bedri Dragusha
“Energy Management and Efficiency in Kosovo: National and Municipal Perspectives”
University of Prishtina, Kosovo

9:30-12:00

II
Building,
Room
318

Prof. dr hab. Danuta Jaworska
“Food Quality Assessment Methods and Food Waste Reduction”
Warsaw University of Life Sciences, Poland

10:00-11:30

Central
Building,
Room
401

Assoc. Prof. Bartłomiej Glina
“Soil Cover Diversity and Agricultural Productivity in Poland: Characteristics, Challenges, and Opportunities”
Poznań University of Life Sciences, Poland

11:15-12:15

Central
building,
Room
503

Assoc. prof. dr. sc. Jelena Lončar
“Invisible threats: Mycotoxins- the hidden dangers in our food”
University of Zadar, Croatia

12:00-13:30

Central
Building,
Room
401

PhD. Eng. Monika Mackiewicz
“Reuse of already used building materials. Biomaterials”
Bialystok University of Technology, Poland

11:50-13:50

III
Building,
Room
420

Assoc. Prof. Dr. Alona Ryasnianska
“Conceptual principles of bio-oriented economy in the context of sustainable development”
State Biotechnological University, Ukraine

11:15-12:45

III
Building,
Room
427

	<p>Prof. Dr. Iryna Koshkalda “Rational use of natural resources in the context of an environmental economy” State Biotechnological University, Ukraine</p>	12:45-14:00	III Building, Room 427
	<p>“Environmental economic system – a modern concept of rational use of agricultural land”</p>	14:40-17:00	III Building, Room 116
	<p>Prof. dr hab. Łukasz Uzarowicz “Indicators of soil degradation and contamination – part 2: assessment of soil contamination with trace elements and soil radioactivity on examples of technogenic soils (Technosols)” Warsaw University of Life Sciences, Poland</p>	12:45-14:30	Central building, Room 503
	<p>Assoc. prof. dr. Daniela Faur “Digital solutions in Agriculture, Data visualization and AI applications” National University of Science and Technology POLITEHNICA Bucharest, Romania</p>	13:00-14:30	III Building, Room 433
	<p>Assist. Prof. Dr. Seham Mostafa Ahmed “The Environmental Situation in Egypt: Policies and Measures for Climate and Sustainability” Cairo University, Egypt</p>	18:00-20:00	Online lecture

International Seminar
MODELLING THE FOOD-ENERGY-WATER NEXUS
 2025 May 6th (Tuesday) 10:00-14:00, Central Building Room 514
 Organizers VMU AA Faculty of Forest Sciences and Ecology, Department of Environment and Ecology

	<p>Florian Siegmann “Decent Work and Economic Growth (SDG 8) and the Food-Energy-Water-Nexus – A CGE model” Forschungszentrum Jülich GmbH, Germany</p>		
	<p>Dr. Holger Schlör “Decision-Making in the Food-Energy-Water Nexus - Navigating Complex Policy Choices” Forschungszentrum Jülich GmbH, Germany</p>	10:00-14:00	Central Building, Room 514
	<p>Assist. Prof. Dr. Seham Mostafa Ahmed “Environmental assessment and management for ecosystem in Egyptian communities” Cairo University, Egypt</p>		

International Seminar

**Organized by Bioeconomy Research Centre of Excellence (BioTEC) and VMU Agriculture Academy,
Department of Agroecosystems and Soil Sciences, Faculty of Agronomy**

2025 May 6th (Tuesday) 9:00-16:00, Central Building Room 505

	<p>Prof. dr. Peter Karl Leinweber “Advances in Soil Organic Matter Research by Novel Analytical Techniques” Rostock University (Germany), BioTEC (Lithuania)</p>	9:00-9:55	Central building, Room 505	
	<p>“Scientific Writing in English”</p>	14:05-15:00		
	<p>Assoc. prof. dr. Velemir Ninkovich “Plant Communication: From Basic to Applied Research” Swedish University of Agricultural Sciences, Sweden</p>	10:05-10:55		
	<p>Prof. dr. Yakov Kuzyakov “Microbial Interactions for Nutrient Acquisition in Soil: Miners, Scavengers & Carriers” University of Göttingen (Germany), BioTEC (Lithuania)</p>	11:05-12:00		
	<p>“Rhizosphere Engineering for Soil C Sequestration”</p>	13:00-13:55		
	<p>Prof. dr hab. Łukasz Uzarowicz “Indicators of Degradation and Forms of Contamination of Technogenic Soils (Technosols) on Post-Industrial Sites in Poland” Warsaw University of Life Sciences, Poland</p>	15:15-16:00		
2025 May 7th (Wednesday)				
	<p>Prof. univ. dr. eng. habil. Daniela-Cristina Momete “Bioeconomy and sustainable development” National University of Science and Technology POLITEHNICA Bucharest, Romania</p>	10:00-12:00		III Building, Room 415 (your own laptop required)

2025 May 8th (Thursday)

	Lect. dr. Gerta Gogo “Credit Risk in Agriculture” Agricultural University of Tirana, Albania	10:30-12:30	III Building, Room 434
	Assoc. Prof. dr. Beverly C. Sa-ao “Fiscal and Monetary Policy in the Philippines: Domestic Strategies Amid Global Trade Tensions” Benguet State University, Philippines	11:15-12:45	III Building, Room 318
	Assist. lect. Daniela-Mihaela Grigore “The quality and safety of animal products” University of Agronomic Sciences and Veterinary Medicine of Bucharest, Romania	11:15-12:45	Central Building, Room 505
	Prof. dr. Oleksandr Kovrov “Landslides and slope stability issues: geotechnical and ecological approaches” Dnipro University of Technology, Ukraine	13:00-15:00	III Building, Room 324
	Assoc. prof. dr. Naira Aloyan “GIS in Agriculture Engineering” Armenian National University, Armenia	13:00-14:30	Central Building, Room 505

International Seminar

Different models of Cooperation and Integration possibilities for common projects

6th of May 2025 (Tuesday) 13:30-16:00, III Building, Room 154

Organizers

Faculty of Bioeconomy Development, Department of Business and Rural Development Management

Prof. Paula Pyplacz, Transforming Management Processes with Robotic Process Automation (RPA). Czestochowa University of Technology, Poland.	13.30-16:00	III Building Room 154
Dr. JANUSZ SASAK, Robotic process automation in administration. Jagiellonian University, Poland.		
Prof. Sant Kumar Chaudhary, Cooperation between VMU and Shankara Group of Institutions. Shankara Group of Institutions, India.		

<p>Dr. Anna Busłowska, Water management in the context of tourism and recreation functions in the Kaunas Metropolitan Area and in the Białystok Functional Area. University of Białystok, Poland.</p>	13.30-16:00	III Building Room 154
<p>Dr. Dorota Sobol, Assoc. Prof. Wiesława Lizińska, Internationalisation as a new dimension of science and technology park activity - a methodical context. University of Warmia and Mazury in Olsztyn, Poland.</p>		
<p>Prof. Robert Kućęba, The impact of ESG reporting on the multidimensional activities of modern corporations. Czestochowa University of Technology, Poland.</p>		
<p>Dr. Edyta Kulej-Dudek, Managing Cross-Cultural Academic Collaboration - Challenges and Strategies. Czestochowa University of Technology, Poland.</p>		
<p>Dr. Agnieszka Gawlik, Green Business Models in Economy – Opportunity or Challenge? WSB Merito University in Wrocław, Poland.</p>		
<p>Assoc. Prof. Ashok Sharma, Indian Jewellery and culture. Shankara International School of Management, India.</p>		
<p>Dr. Artur Wrzałik, Application of Artificial Intelligence in Recruitment and Selection Process - Employer and Employee Perspective. Częstochowa University of Technology, Poland.</p>		
<p>Assoc. Prof. Skrodzka Iwona, Structural Equation Modeling PLS-SEM in Economic Research. University of Białystok, Poland.</p>		
<p>Prof. Paulina Ucieklak-Jeż, Social Aspects of Market Economy. Sustainability and Health Economics. Jan Długosz University in Czestochowa, Poland.</p>		
<p>Prof. Jan Žukovskis, Management of Business Startup's for students: Experience and Perspectives. Vytautas Magnus University, Lithuania.</p>
