

GUIDELINES ON PUBLICATION OF THE ARTICLES BY THE CONFERENCE SPEAKERS

We kindly invite the speakers of the 23rd young scientist conference **YOUNG SCIENTIST 2026** (16 April 2026) to publish the articles based on their presentations in the proceedings of the **YOUNG SCIENTIST 2026** conference.

If you choose to submit your article for the proceedings of the **YOUNG SCIENTIST 2026** conference, please use the [article template \(Annex 1\)](#). Article volume: ~4 to 6 full A4 pages. Article languages: Lithuanian or English. The electronic version of the article (Surname_Name.docx) must be submitted by email to the section coordinator (contacts listed in the table) by 16 March 2026.

If you have any questions about article publication, please feel free to contact the section coordinators:
